Newsletter

Spring 2018 • ISSUE 36

Welcome to our

Spring 2018 Newsletter

As we were unsuccessful in our funding application to Big Lottery we are having to make difficult financial decisions to ensure we can continue to support our 4,617 registered carers, of whom 600 are young carers. Unfortunately, this includes holistic therapies and podiatry, therefore charges will increase from 1st April 2018 (see page 8 for new costs)

To raise funds we will be commencing a series of fun, fundraising activities from May 2018, which we will advertise. If your family, workplace, school or GP practice would like to raise money for our charity through your own fundraising activity please contact us as we can help with sponsorship forms.

In order to keep production and postal costs down we are considering producing three newsletters per year rather than four. If you are happy to receive our newsletter via e mail please share your e mail address as this will keep costs down. Remember to check your spam if you haven't received our newsletter! One way of raising funds is for as many people as possible to join our Carers Lottery, whether you're a carer, family member, professional or

member of the public. We have already given away £1,180 to lucky winners.

Our Runcorn office is open on Saturday mornings to provide a therapy and podiatry service to working carers and young carers who are unable to access these services during the week. From May 2018 only working carers and young carers will be able to access the Saturday services.

Many thanks to Runcorn's Inner Wheel who donated £100 and the Knights Choir in Widnes who kindly donated £500. Your generosity is very much appreciated.

If anyone would like to make a donation to our charity, there are various ways to do so:

- Via The Big Give (you can access this directly on the home page on our website)
- Cheque to Halton Carers Centre Limited
- Cash at the Runcorn or Peelhouse Family Centre Offices

Carers Centre Dementia Support Group

Do you care for someone who has been diagnosed with dementia? If so, come along to our Dementia Carers' Support Group every fortnight on Monday evenings 6.30pm – 8pm at Brunswick House in Runcorn. The group is a chance for you to share experiences, make new friends, gather information or simply just get out for a break and a cuppa! If you want more information or are interested in attending this group please contact the Carers Centre. Please note that the group is intended for carers only, to allow them time to discuss their situations and emotions freely without the person they care for present. If you need someone to support the person with dementia to enable you to attend the group, please let us know.

Next group meetings: 16th and 30th April, 14th and 28th May, 11th and 25th June

Many carers say they can feel isolated and can lose their confidence due to their caring roles. We provide a course for carers to help increase their confidence and manage their caring role better. The course consists of 7, 4 hour sessions (10am-2pm) facilitated by two Carer Support Workers. A buffet lunch is provided at the end of each session. The course will teach you coping strategies in your caring role, how to reduce stress and how to obtain the support you need for yourself and the person you care for. For more information or to book on a course please e mail help@haltoncarers.co.uk or telephone **01928 580182**

Do you care for someone with dementia and worry that they may go missing?

Caring for people with dementia can be challenging, therefore planning ahead is really important. There is often a risk that people living with dementia can at some point start to 'walk about'. While this may only be into the garden or street and returning a short time later, some people can get lost and go missing. This can lead to feelings of confusion, fear and vulnerability for individuals and their families, particularly at night time or during times of extreme weather.

The Herbert Protocol is here to help provide you with reassurance, and help you keep friends and relatives safe. It is a national initiative adopted by Cheshire Constabulary, as well as other police forces around the UK.

The Herbert Protocol is a form which is kept at home, or in a safe place, with important information about a vulnerable person. Should they go missing, information is easily on hand about routines, medical requirements and favourite places to visit and can be handed over to the police, alleviating the worry of collecting it together during a stressful time.

Obtain a form in the following ways:

Download The Herbert Protocol form online by accessing

www.cheshire.police.uk/advice-and-support/missing-persons/herbert-protocol/

Or

call into Carers Centre for The Herbert Protocol form

download the form from our website <http://haltoncarers.co.uk/information>

Complete The Herbert Protocol Vulnerable Adult Missing Person Profile form

and retain in a safe place. (Halton Carers Centre can hold a copy for you if you wish)

Important

If someone goes missing it is vital that if you can't find someone in the normal way you would expect to, then you **MUST** call the police on **999**. It is quite normal to worry about calling. Some people are concerned that they will be criticised for calling the police, but if you are worried about a person's safety then this will not happen.

You can also join our Former Carer Group which is organised by Beryl and Marjorie. The group meets on a monthly basis and all group members were once feeling like you are now but have managed to restart their social lives after being a carer. They enjoy visits to the theatre, lunch and evenings out, day trips and bi-monthly get-togethers. For more information contact the Carers' Centre. Meetings are on the 1st Thursday in the month 1-3pm at Churchill Hall Runcorn.

**Halton Adults with Learning
Disability Support**

Where carers make the difference

Are you a carer for an adult with a learning disability?

HALDs is an independent Charity support group for carers of Adults with Learning Disabilities. We meet on a monthly basis on the last Monday of the month at Mencap Acorn Centre, Laburnum Grove, Runcorn WA7 5EX at 12.30.

We invite guest speakers to our meetings relating to your caring role. We have solicitors, first aid information, direct payments and many more speakers on a variety of subjects. We can sign post if you have a problem and we also hold social events e.g. lunch/places of interest/theatre trips etc. and also weekends away

There is no cost to attend the group as we are funded by Halton Borough Council & Big Lottery Awards for All, however we make a small charge for social events.

Please do not feel you cannot come along on your own, bring a friend for support. We are a friendly bunch and all emphasis is on your caring role. Once you are at the meeting or social event you will probably realise you know other carers as well from schools, clubs etc.

If you would like more information please either visit our website www.halds.org or contact me on 07530383690 or p.halds6213@virginmedia.com
